TOP TEN STUDENT CREATIVITY, ARTIST CHALLENGES

Student Creativity Clients:

Student Creative Coaching: An art student's biggest challenges are time and resources.

How do you time manage life, work, college, personal life?

How do you prioritize and schedule work, classes, art, life?

How do you budget for creative projects, for living expenses, tuition?

How to find resources & services to complete your creative projects?

How to move your work from practice to professional?

Top 10 Art Student Challenges:

1. **Taking Art Seriously:** Your passion led you to being an artist, take your passion seriously.
2. **Procrastinating:** Delaying igniting, sooner is better and any beginning is better than none, take the lead.
3. **Ambition:** Risk. pushing your work far enough: Art is about taking chances, every road is an adventure, try it.
4. **Editing:** Not every piece is a masterpiece, but every piece moves you forward.
5. **Learning from mistakes:** Learn when to rework a piece, start over or move to a new one.
6. **Originality:** Influences are helpful, copying is not, style comes from repeated personal work.
7. **Presentation:** Finishing work, deciding when something is done, honoring your work.
8. **Budgeting:** Art materials cost real money, sharing materials, bulk buying, researching costs.
9. **Time Managing:** Work is time, process steps, due dates, deadlines, scheduling work vs art.
10. **Materials:** Procuring resources, storing materials, technology, equipment buying vs renting.

I help Artists & Creative People confidently move their projects from concept to successful completion.
